Society of the Friends

Secrets and Oaths in Western Greece

Live the part of the Friends, the Fighters, the Philhellenes and the Resistance to enter present times. The historical-heritage trail "Andritsaina-Kalavryta-koryschades, Krokyli-Messolonghi" will take you back and forth in space and time: by lifting the veil of landscape secrets and by narrating the hidden stories.

Experience the past, enjoy the present!
